Delock Keystone LSA Set with clip-on holder RJ45 / RJ11 Cat.6 black

Description

This holder by Delock offers the option to place Keystone modules in the holder to make it easier to lay the cables on the insulation displacement connectors. The wires can be contacted, and the protruding cable ends can be cut off with the Delock laying tool (86152). The suitable Keystone modules are included in the content of delivery.

Item no. 87104
