InLine Magnetic USB-C cable, USB-C male/male, 100W, black, 1.5m

InLine Magnetic USB-C cable, USB-C male/male, 100W, black, 1.5m:

The InLine® MAGNETIC USB-C cable is the perfect cable for fast charging your smartphone or tablet with USB-C charging socket. The magnetic sheath of the cable acts as a clever solution to roll up the cable neatly and thus enables flexible adjustment to almost any desired cable length. It also prevents annoying cable clutter and the adhesion to metallic surfaces can be used as an advantage when storing or installing the cable. This ensures that everything stays organized on your desk or in your notebook bag.
