Night Sky Dragon

schleich BAYALA Night Sky Dragon:

What stories does the Night Sky Dragon tell? You decide! Flap the glittering, movable wings and take to the sky...there's adventure (and a million magical tales) waiting up there!

The Night Sky Dragon looks quite impressive with the golden star on his forehead, his dark purple scale armor and his bright, transparent wings. Its tail is adorned with golden curls that flicker like flames. But if you look at the night sky dragon's face, you want to be its friend. Adventurously, he stretches his short snout into the air. Who wants to climb onto his magnetic back and mount the golden saddle? Go ahead: Then it goes high into the air. Yippee, what an adventure!
