Muriel the Owl

schleich Muriel the Owl:

Muriel looks out into the world with her big, shining eyes. She is just spreading her grey wings – perhaps to sing another song? Her light brown breast feathers are already quivering with excitement. The sound is often out of tune, but that doesn't bother Muriel. The main thing is that she can sing – because she loves music!

Muriel the owl is very popular with the magical animals. No wonder: with her big, friendly eyes and childlike charm, she has a sympathetic ear for everyone. She patiently listens to worries, comforts with gentle words or conjures up a smile with a cheerful flap of her wings. Sometimes she also sings a little song – often off-key, but heartfelt. She likes to use it to cheer up the magical animals if necessary. Just a real friend.
