Puzzle Pedagogue

Barbo Toys Puzzle Pedagogue Board game:

In this fun Rime Puzzle, the child can practice rhyming in a fun way. Since none of the pieces are the same, the child finds the solution himself by finding the 2 puzzle pieces that belong together. The box contains 10 puzzles.

Why is it good for a child to practice rhyming? When we do activities that include rhyming through play with children, we give them the opportunity to develop their awareness of the sounds of language. When we rhyme, we present children with words that almost sound the same, most often with only a single language sound to differ.

Suitable for children at 3+ years of age.
